The screenshot shows the website interface for 'topmotors.ch'. The header includes the logo and the tagline 'Effizienz im Antrieb'. A navigation bar contains links for 'Kontakt', 'Downloads', 'Partner', 'Links', and 'Intern', along with a language selector for 'français'. The main content area is titled 'Easy - Effizienz für Antriebssysteme' and features a colorful image of a motor component. Below this, there is a 'Was ist Easy?' section explaining the program's purpose and providing links for 'Ablauf', 'Teilnahme', and 'Förderbeitrag'. A 'News' section reports on a workshop in Zurich and an orientation workshop in December 2010. The 'Easy Downloads' section lists available documents, and the 'Easy Merkblätter' section displays a grid of document thumbnails with numbered titles: 'Nr. 1: Überblick', 'Nr. 2: Ablauf', 'Nr. 3: Teilnahme', and 'Alle: Nr. 1+2+3'. At the bottom, there is a section for 'Easy Standardvereinbarungen' and a note about a provisional version from June 2011. The sidebar on the left contains a menu with items like 'News', 'Topmotors kurz & bündig', 'Förderprogramm Easy', 'Ablauf', 'Teilnahme', 'Förderbeitrag', 'Motor Check', 'Tools', 'Herstellerdaten', 'Standards', 'Motoren Hochschulnetz', 'Veranstaltungen', and 'Newsletter'. Logos for 'energie schweiz', 'MOTOR SUMMIT', and 'S.A.F.E.' are also visible in the sidebar.
